Why Enroll in the THERA patient support[®] Program?

Helping You **Start, Save, and Stay** on **EGRIFTA WR[™]** (tesamorelin)

The **THERA patient support[®] Program** is a free, personalized resource designed to help you throughout your **EGRIFTA WR[™]** treatment journey. We focus on three main goals to make sure you get and stay on your medication:

- 1. Help You Start:** We will help remove barriers so you can **start** your **EGRIFTA WR[™]** therapy as quickly and easily as possible.
- 2. Help You Save:** We explore financial programs, like co-pay assistance, to help you **save** money and make your medication more affordable.
- 3. Help You Stay:** We provide continuous, personalized, one-on-one support from our dedicated Nurse Navigator to help you **stay** on your prescribed treatment plan long-term.

By enrolling, you get the THERA patient support[®] Program working with you every step of the way, simplifying access, offering financial navigation and assistance, and providing ongoing support throughout your journey.

Welcome to the THERA patient support® Program

Personalized support once you have been prescribed *EGRIFTA WR™*

1. Enroll

Once you are prescribed *EGRIFTA WR™*, enroll in the THERA patient support® Program by filling out the Enrollment Form with your doctor.

You can join the THERA patient support® Program immediately after receiving your *EGRIFTA WR™* prescription. To start, complete the necessary Enrollment Form in partnership with your healthcare professional.

2. Consent

Be sure to provide your consent to take part in the THERA patient support® program.

Be sure to provide your consent to enroll in the program by signing the last page of the enrollment form.

If your consent is not captured before the enrollment form is submitted, THERA patient support® will contact you to obtain your consent.

If needed, you can provide your consent by:

Scanning the QR code, or visiting myaspn.com/Program/Consent/Thera/EgriftaWR to provide your consent on the Patient Portal.

Calling THERA patient support® at 1-833-23-THERA to request a consent link.

3. Coverage

THERA patient support® explores your coverage options.

Our THERA patient support® Patient Care Coordinator will investigate your insurance benefits and coverage options.

You are approved for treatment and enrolled in the THERA patient support® Program

4. Welcome Call

Our Patient Care Coordinator welcomes you to the THERA patient support® Program.

Our Patient Care Coordinator will welcome you to the program and provide you with important resources, including:

- Co-Pay Assistance* (for eligible out-of-pocket costs)
- Information on medication delivery straight to your door
- Arranging delivery of a free sharps disposal container and *EGRIFTA WR™* Patient Resource Kit to you

5. Training

You get set-up for your first *EGRIFTA WR™* injection with one-on-one injection training from our Nurse Navigator.

A THERA Nurse Navigator will provide you with personalized, one-on-one injection training to help you begin your treatment.

6. Ongoing Support

You will have ongoing touchpoints with our Nurse Navigator.

One-on-one touchpoints with the Nurse Navigator will help you set treatment goals and stay on treatment with *EGRIFTA WR™*.

* The Co-Pay and Financial Assistance Programs are available only for eligible patients.
